

WHEN YOU'RE READY TO EXPLORE A DONOR PROGRAM

CHECKLIST

MEDICAL SCREENING & GENETIC TESTING

- ☐ Are donors thoroughly screened for infectious diseases and genetic conditions?
- ☐ Is carrier screening provided and explained?

PSYCHOLOGICAL EVALUATIONS

- ☐ Are donors evaluated for emotional stability and motivation?
- ☐ Is mental health history documented?

DONOR TRANSPARENCY & IDENTITY OPTIONS

- ☐ Are long-term medical and family histories available?
- ☐ Are there options for known or open-ID donors?

ETHICAL PRACTICES

- ☐ Does the bank collaborate with clinics without kickbacks?
- ☐ Are donors treated with respect, privacy, and care?

LEGAL SUPPORT & DOCUMENTATION

- ☐ Are legal agreements in place to protect all parties?
- ☐ Is parentage and consent clearly established?

SUPPORT FOR INTENDED PARENTS

- ☐ Is there a clear contact person or care team?
- ☐ Are there educational resources or counseling offered?

ONGOING ACCESS & RECORDS

- ☐ Does the bank maintain long-term records in case medical history updates arise?
- ☐ Will your child be able to access appropriate information in the future?
